CORRIGENDA

***Acholeplasma laidlawii* Cells Acutely and Chronically Infected with Group 1 Acholeplasmavirus**

By ALAN LISS AND BRENDA E. RITTER

Journal of General Microbiology (1985), **131**, 1713–1718

p. 1714, last paragraph of Methods:

The second sentence should read: 'Polypeptide profiles of these cell preparations were obtained by SDS-PAGE (Liss & Heiland, 1982), modified by using glass-distilled water instead of 8 M-urea in the formulation of the separating gel and the sample preparation solution'.

Dimorphism in *Candida albicans*: Contribution of Mannoproteins to the Architecture of Yeast and Mycelial Cell Walls

By M. VICTORIA ELORZA, AMELIA MURGUI AND
RAFAEL SENTANDREU

Journal of General Microbiology (1985), **131**, 2209–2216

p. 2211:

The heading has been omitted from the Table at the foot of the page. It should read 'Table 1. *Solubilization of wall mannoproteins of C. albicans with different agents*'.

Stimulation of Sexual Reproduction of *Phytophthora cactorum* by Phospholipids

By W. H. KO

Journal of General Microbiology (1985), **131**, 2591–2594

p. 2591, second paragraph of Methods:

The second sentence should read 'The following trace elements were supplied per litre: FeEDTA, 100 mg; CuSO₄·5H₂O, 10 mg; MnCl₂·4H₂O, 10 mg; Na₂MoO₄·2H₂O, 5 mg; Na₂B₄O₇·10H₂O, 10 mg; ZnSO₄·7H₂O, 10 mg; thiamin hydrochloride, 100 mg.'
