CORRIGENDA

Genetic Basis of the Association of Sulphonamide Resistance with Methionine Auxotrophy in *Neisseria gonorrhoeae*

By B. WESLEY CATLIN

Journal of General Microbiology (1989), **135**, 1101–1111

p. 1109, line 11:

‘Met⁻ revertants’ should read ‘Met⁺ revertants’.

Nucleic Acid Relatedness Studies on the Genus *Carnobacterium* and Related Taxa

By MARIE-CHRISTINE CHAMPOMIER, MARIE-CHRISTINE MONTEL
AND RÉGINE TALON

Journal of General Microbiology (1989), **135**, 1391–1394

The first sentence of the Summary should read ‘None of the species *Carnobacterium piscicola*, *C. divergens*, *C. mobile* or *C. gallinarum* showed significant DNA–DNA homology between themselves and other lactic acid bacteria’.
